- 10.5. This Section and Sections 6, 7, 8, 9 and 11, will survive any termination or expiration

- 10.6. Termination or expiry of this Agreement shall not affect any rights, remedies, obligations or liabilities of the Parties that have accrued up to the date of termination or expiry (including any Statement of Work issue prior to such termination or expiry), including the right to claim damages in respect of any breach of the Agreement which existed at or before the date of termination or expiry.
- 10.7. After expiry or termination of this Agreement, all outstanding Referral Fee due to SHOPLINE shall be settled in full within 15 days.

12. Miscellaneous

- 12.1. Neither Party shall change, amend, add or remove any provisions in this Agreement without the other Party's agreement in writing.
- 12.2. Nothing in this Agreement is intended to create, nor will it be construed as creating, any exclusive arrangement between the Parties to this Agreement. This Agreement will not restrict either Party from entering into similar arrangements with others, provided it does not breach its obligations under this Agreement by doing so, including without limitation, any confidentiality obligations.
- 12.3. This Agreement will not be interpreted or construed to create an association, agency, joint venture or partnership between the Parties or to impose any liability attributable to such a relationship upon either Party. Neither SHOPLINE nor Developer will have any right, power or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or otherwise bind, the other Party, except where Developer expressly authorizes SHOPLINE to act on its behalf in this Agreement.
- 12.4. This Agreement, including and together with any related exhibits, schedules, attachments, and appendices, constitutes the sole and entire agreement between the Parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, regarding such subject matter.
- 12.5. If any portion of the Agreement is determined to be invalid or unenforceable, the remaining portions of this Agreement shall not be affected and shall be binding upon

the Parties and shall be enforceable, as though said invalid or unenforceable portions were not contained in this Agreement.

- 12.6. No failure or delay to exercise any right, power or remedy or partial exercise thereof under the Agreement shall operate as a waiver or preclude any other or further exercise thereof. This Agreement may not be amended or waived except by an instrument in writing signed by the Party against whom any such amendment or waiver is sought.
- 12.7. Developer may not transfer or assign any rights under this Agreement without SHOPLINE's prior written consent, not to be unreasonably withheld. SHOPLINE may transfer or assign this Agreement, and any right under the Agreement in whole or in part, to a third party, and Shoplevel will notify Developer of such a transfer or assignment.

Expansion

Expand collaboration through merchant education initiatives and evaluate additional AI capabilities based on validated merchant demand and jointly agreed business priorities.

Closing Statement

SHOPLINE provides the commerce infrastructure that enables merchants to sell online. Marketing As Art is designed to complement this by providing an AI Marketing Intelligence layer that supports merchant growth by helping merchants make better marketing decisions, understand their customers, plan more effective campaigns, and expand into new markets through explainable, validated, and multilingual marketing intelligence. The partnership is proposed to begin with a controlled pilot, allowing both organizations to validate merchant value before exploring broader integration opportunities.
